UNDERGRADUATE PROGRAMS

Bachelor’s programs

• Bachelor of Science in Health Sciences with a major in clinical embryology and assisted reproductive technology (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-embryology-and-assisted-reproductive-technology/)
• Bachelor of Science in Health Sciences with a major in clinical health sciences (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-health-services/) (military contract)
• Bachelor of Science in Health Sciences with a major in clinical operations and healthcare management (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-operations-health-care-management/)
• Bachelor of Science in Health Sciences with a major in clinical research administration
• Bachelor of Science in Health Sciences with a major in emergency medical services management
• Bachelor of Science in Health Sciences with a major in global leadership in disaster response
• Bachelor of Science in Health Sciences with a major in leadership for emergency action and disaster response (military contract)
• Bachelor of Science in Health Sciences with a major in medical laboratory science
• Bachelor of Science in Health Sciences with a major in molecular diagnostic sciences (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-molecular-diagnostic-sciences/)
• Secondary Bachelor of Science in Health Sciences with a major in clinical embryology and assisted reproductive technology (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/secondary-bshs-clinical-embryology-and-assisted-reproductive-technology/)

Combined programs

• Dual Bachelor of Science in Health Sciences with a major in clinical operations and healthcare management and Master of Science in Health Sciences in the field of healthcare quality (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-mshs-clinical-operations-healthcare-management-health-care-quality/)
• Dual bachelor of Science in Health Sciences with a major in clinical research administration and Master of Science in Health Sciences in leadership and strategy in regulatory affairs and clinical research administration (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-clinical-research-administration-mshs-leadership-and-strategy-regulatory-affairs-and-clinical-research-administration/)
• Dual Bachelor of Science in Health Science with a major in clinical research administration and Master of Science in Health Sciences in the field of biomedical informatics (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-clinical-research-administration-mshs-biomedical-informatics/)
• Dual Bachelor of Science in Health Sciences with a major in clinical research administration and Master of Science in Health Sciences in the field of clinical research administration
• Dual Bachelor of Science in Health Sciences with a major in clinical research administration and Master of Science in Health Sciences in the field of clinical and translational research
• Dual Bachelor of Science in Health Sciences with a major in clinical research administration and Master of Science in Health Science in the field of regulatory affairs
• Dual Bachelor of Science in Health Sciences with a major in molecular diagnostic sciences and Master of Science in Health Sciences in the field of clinical microbiology (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-molecular-diagnostic-sciences-mshs-clinical-microbiology/)
• Dual Bachelor of Science in Health Sciences with a major in medical laboratory sciences and Master of Science in Health Sciences in the field of molecular diagnostic sciences (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-mls-mshs-mds/)
• Dual Secondary Bachelor of Science in Health Sciences with a major in medical laboratory sciences and Master of Science in Health Sciences in the field of molecular diagnostic sciences (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/secondary-bshs-medical-laboratory-science-molecular-diagnostic-sciences/)

Minors

• Minor in anatomy (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/minor-anatomy/)
• Minor in blood banking for medical laboratory science (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/minor-bbmls/)
• Minor in disaster management (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/minor-disaster-management/)
• Minor in emergency health services
• Minor in health data analytics
• Minor in microbiology (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/minor-microbiology/#admissionstext)
• Minor in molecular biology (https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/minor-molecular-biology/)
