

# GRADUATE CERTIFICATE IN POLITICAL MANAGEMENT AND STRATEGIC GOVERNANCE

This program is not accepting applications at this time.

---

The graduate certificate in political management and strategic governance teaches students how to develop strategies and tactics along with communication and leadership skills to be able to respond to the demanding needs of campaigns and governance. A student who completes requirements for the certificate and is admitted to the master of professional studies in the field of political communication and strategic governance (<http://bulletin.gwu.edu/professional-studies/mps-political-communication-strategic-governance/>) can count all 12 certificate credits towards the master's.

All courses are offered online and only in Spanish.
