

MINOR IN MATHEMATICS

REQUIREMENTS

The following requirements must be fulfilled: 18 credits, including one 3-credit required course and 15 credits in elective courses selected in consultation with the advisor.

Code	Title	Credits
------	-------	---------

Required

MATH 2184	Linear Algebra I	
or MATH 2185	Comprehensive Introduction to Linear Algebra	

Electives

15 credits (five courses) in mathematics (MATH), including at least 9 credits (three courses) numbered in the 3000 and 4000 ranges. All elective courses are selected in consultation with a departmental advisor.
