

GRADUATE CERTIFICATE IN INVESTMENTS AND PORTFOLIO MANAGEMENT

*If FINA 6290 is taken, it must be on the topic of Investment Analysis Venture Capital.

The graduate certificate in investments and portfolio management provides background and training in the theory and practice of the various methods of investment analysis and selection. Subjects covered include risk–reward analysis of security investments, including analysis of national economy, industry, company, and markets, legal environment, active and passive portfolio management techniques, portfolio performance evaluation, as well as practical experience in security selection and portfolio management.

Visit the program website (<https://business.gwu.edu/prospective-students/graduate-certificate-admissions/>) for additional information.
