

GRADUATE CERTIFICATE IN ISRAEL EDUCATION

Students in the graduate certificate in Israel education program sharpen their knowledge of Israel and modes of teaching Israel, including experiential education by taking part in two intensive seminars, two online classes, and one seminar in Israel. Special emphasis is placed on connecting new content with innovative approaches for instruction. Cohort members apply what they have learned to develop and test curricular or other educational projects for use in the setting in which they teach or work.

Visit the program website (<https://gsehd.gwu.edu/programs/graduate-certificate-israel-education/>) for additional information.
