

DUAL BACHELOR OF SCIENCE IN HEALTH SCIENCES WITH A MAJOR IN CLINICAL RESEARCH ADMINISTRATION AND MASTER OF SCIENCE IN HEALTH SCIENCES IN THE FIELD OF CLINICAL AND TRANSLATIONAL RESEARCH

The School of Medicine and Health Sciences offers a dual bachelor of science in health sciences with a major in clinical research administration (<https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-research-administration/>) and master of science in health sciences in the field of clinical and translational research (<https://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-clinical-translational-research/>) degree program. The program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. Applicants must have a GPA of 3.3 or above on a 4.0 scale for all previous college-level coursework. All requirements for both degrees must be fulfilled.

Shared credits: 9

One undergraduate elective is waived for each of the following graduate courses taken during the undergraduate program:

Code	Title	Credits
CTS 6261	Foundations in Clinical and Translational Research	
HSCI 6263	Biostatistics Translational Research	
HSCI 6264	Epidemiology Translational Research	

Visit the School of Medicine and Health Sciences website (<https://smhs.gwu.edu/academics/health-sciences/academics/jointdual/>) for additional information.
