

DUAL BACHELOR OF SCIENCE IN HEALTH SCIENCES WITH A MAJOR IN MEDICAL LABORATORY SCIENCES AND MASTER OF SCIENCE IN HEALTH SCIENCES IN THE FIELD OF MOLECULAR DIAGNOSTIC SCIENCES

The School of Medicine and Health Sciences offers a dual bachelor of science in health sciences with a major in medical laboratory sciences (<https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-medical-laboratory-science/>) and master of science in health sciences in the field molecular diagnostic sciences (<https://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-molecular-diagnostics/>) degree program. The program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

Shared credits: 9

MSHS courses taken during the BSHS program, and corresponding BSHS courses waived:

| Code | Title | Credits |
|---------------------|---|----------------|
| MLS 6141 | Advanced Immunology and Serology | |
| MLS 4141 is waived. | | |
| MLS 6158 | Advanced Laboratory Management and Operations | |
| MLS 4158 is waived. | | |
| MLS 6217 | Medical Biotechnology | |
| MLS 4151 is waived. | | |
