

GRADUATE CERTIFICATE IN PARALEGAL STUDIES

The ABA-approved graduate certificate in paralegal studies provides students with the knowledge and skills employers seek, including those in written and oral communication; critical thinking and analysis; problem-solving; technological savvy; and professionalism. Courses are designed in conjunction with the legal, governmental, business, financial, and international communities to ensure they are relevant and marketable. As a result, program graduates are prepared to work in demanding legal environments.

Credits earned in the certificate program can be counted toward requirements for GW's master's degree in paralegal studies (<https://bulletin.gwu.edu/professional-studies/graduate-programs/paralegal-studies/>). Students also may combine the graduate certificate in paralegal studies with a graduate certificate in healthcare corporate compliance for an MPS in paralegal studies with a concentration in healthcare corporate compliance.

Visit the program website (<https://www.cps.gwu.edu/paralegal-studies-graduate-certificate/>) for additional information.
