

DUAL BACHELOR OF SCIENCE WITH A MAJOR IN NUTRITION AND MASTER OF PUBLIC HEALTH IN THE FIELD OF PUBLIC HEALTH NUTRITION

Program Director: A. Sylvetsky

The Milken Institute School of Public Health offers a dual bachelor of science with a major in nutrition (<https://bulletin.gwu.edu/public-health/exercise-science/bs-nutrition/>) and master of public health in the field of public health nutrition (<https://bulletin.gwu.edu/public-health/exercise-science/mph-public-health-nutrition/>) program. The program allows students to take up to 11 graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master's degree.

Visit the program website (<https://publichealth.gwu.edu/content/nutrition-science-bs/>) for additional information.
